

Power-Shine

North America's #1 Name in
High-Pressure Cleaning Equipment

Concentrated Biodegradable
Detergent for Pressure Washers

Vehicle Cleaner

Special Features:

A highly concentrated vehicle cleaner that produces rich suds to increase dwell time and cleaning action. Power-Shine is safe to use on polished aluminum and is excellent for road film and oxidized paint. Works well in hard water and leaves a shine, and is a good cold water cleaner.

Highly concentrated

- A little goes a long way
- Dilution ratio up to 150:1

Competitively priced

- Excellent value for cost
- Economical cost per gallon

High-quality detergents

- Specially designed for pressure washers
- Designed for high temperature cleaning

Safety approvals & registration

- Rocky Mountain registered
- Chemtrec registered

Hotsy's exclusive Continuous Clean Additive (HCC)

- Protects your pressure washer

Excellent service

- 130 North American Service Centers
